In exercise of the power conferred upon the Minister by section 5 of the Registration of Titles, Cadastral Mapping and Tenure Clarification (Special Provisions) Act, 2005, the following Order is hereby made:—

1. This Order shall be cited as the Registration of Titles, Cadastral Mapping and Tenure Clarification (Special Provisions) (Section 5—Part of Berlin in the parish of Saint Elizabeth) Order, 2018.

2. The Order is required because the landowner has informally subdivided the land as outlined below and has occupied it in its present state. An application has been submitted to the Office of Titles at the National Land Agency to have the property brought under the operation of the Registration of Titles Act. In light of the above the Honourable Minister is being asked to make an Order waiving the requirement for subdivision approval pursuant to Section 5 of the said Registration of Titles, Cadastral Mapping and Tenure Clarification (Special Provisions) Act, 2005.

3. The *Local Improvements Act*, the *Natural Resources Conservation Authority Act* and the *Town and Country Planning Act* shall not apply in relation to any transfer or registration of any portion of the land described in Part I of the First Schedule.
